NEWS & EVENTS

2008 has been great! So far this year we have had the privilege to touch the nations of Brazil, India, Sri Lanka, Vietnam, Singapore, Mexico, Malaysia, Austria and Indonesia. We have started 10 more International Schools of Ministry in Vietnam! That brings us to a total of 51 organizations that have been given either a laptop or video IPOD just in the past 18 months! Way cool. Many of these are being used in two or more cities each week. We have over 2000 leaders being trained through this facet of ministry whether we ever step another foot in that country!

Nicaragua on the radar screen! Next up is Nicaragua. We will be conducting seminars for Leaders and Pastors. On our first trip there a year or so ago, we had several hundred attend and we are jazzed up about how many we think we can have this trip. Since we are expanding to more cities and churches our expectations are high. Please pray for this trip that begins October 1, that our impact will be eternal and for God's protection over our team as we travel. Can't wait to report back to you about this trip.
